

About Qyooz

At Qyooz we are delivering a special kind of CRM. We are making the customer-vendor relationship sustainable and helping companies move away from the ineffective transactional sales approach. We are all about continuous and strong relationships and we support this within our team philosophy. We challenge ourselves to challenge the product to create a stage of mutual growth.

As a Social Media manager for Qyooz, you will be keeping our channels updated and throwing light on our best features and stories. As someone taking care of how we look to the world, you will have a lot of responsibility to convey our message in the most impactful way.

Your Role

Social Media Manager (m/f/d) 20h/week

- Be responsible for keeping our social media channels beautiful, relevant and up to date
- Organizing initiatives for producing content
- Making sure that everything on our social media is aligned with our branding and message
